Compulsory units contain course content which is common to all students in Year 10 and must be included in the Year 10 program. Core units fulfill the requirements of the Victorian Curriculum, and are chosen from the English, Mathematics, Science and Humanities learning areas, and must be included in the Year 10 program. Elective units may be included in the Year 10 program, and can be chosen from any learning area.

Year 10 Program: Students must complete 16 units across the year, each subject accounts for one unit and runs for one semester (except for Exploring Pathways, which runs for the whole year).

PreCAL Program: The PreCAL program is designed for Year 10 students who are interested in applied learning pathways such as the Victorian Certificate of Applied Learning (VCAL), apprenticeships and traineeships. Students must complete 16 units across the year, each subject accounts for one unit and runs for one semester (except for Exploring Pathways, which runs for the whole year).

*All units are across Units 1-4 unless otherwise specified.

VCE: As part of the Victorian Certificate of Education (VCE) program, Year 11 at St Columba's College, students will study 12 to 13 units including two units of English and at least one unit of Religious Education (RE). It is expected that students will satisfactorily complete at least 10 units in Year 11, in order to proceed to a Year 12 course of study. In Year 12, students will study 11 to 12 units including two units of English and at least one unit of RE.

VCAL: There are three levels of the Vocational Certificate of Applied Learning (VCAL): Foundation, Intermediate and Senior. A student must satisfactorily complete 10 accredited VCAL units in order to achieve their VCAL certificate. From 2023 students will transfer into the new VCE Vocational Specialisation Certificate program.

VET: Vocational Education and Training (VET) programs enable VCE and VCAL students to complete accredited, nationally recognised vocational training plus 'hands on' placement in industry, as part of their VCE or VCAL program. Satisfactory completion of a program entitles students to receive two awards – their VCE or VCAL and a VET certificate.
