At the College Board meeting at the end of October, Board Directors discussed the Annual Tuition Fees for 2023 in light of anticipated funding and expenditure commitments for the coming years.

Some of the major considerations were:

- Inflationary pressures on the College's operational costs such as insurance, software licences and a variety of goods/services.
- Anticipated impact of the costs associated with the new Victorian Catholic Education Multi-Enterprise Agreement covering College staff employment salaries and conditions.
- Maintaining appropriate levels of funding to support the College's new STEAM building and sports court building project, which is due to be opened in 2024.

In light of these considerations, the St Columba's College Board has approved the Annual Tuition Fees for 2023 as listed which reflects a 4.5% increase from the 2022 fees.

Payment for these classes is required by a scheduled Credit Card (MasterCard or Visa) or Direct Debit deduction; fees are deducted at the beginning of each term (Music)/semester (Dance). Please note this is an ongoing arrangement until the College has been notified in writing that lessons are no longer continuing. Should a student wish to discontinue any private tuition class the period of notice required in advance is a term for Music and a semester for Dance.
