What are the new pathway options in years 10-12 for your child?

Catholic School Parents Victoria (CSPV) supports parents and families to stay connected throughout a child's school journey. We provide you with opportunities to be informed about changes in education that impact you and your children.

Senior secondary education in Victoria is changing. There's a new way for your child to complete the VCE, it's called **VCE Vocational Major**. You are invited to join us for a webinar hosted by our partners at the **Victorian Curriculum and Assessment Authority** and the **Department of Education and Training** to learn more about how your child can pursue their goals in years 10-12. The Victorian Curriculum and Assessment Authority and Department of Education will explain:

- The VCE Vocational Major
- The Victorian Pathways Certificate
- Vocational Education and Training (VET) at school.

Register for one of the webinars to be held on **Tuesday 13th June or Wednesday 14th June 7:30-8:15pm**. [Click here](#) or scan the QR Code to register for this online event.
