The SNAP access scheme is designed to increase tertiary access and participation of eligible students from SNAP partner schools by giving them priority access to RMIT's certificate IV, diploma, advanced diploma, associate degree and degree courses.

How it works

- To receive SNAP consideration for a given course, applicants must have an ATAR that is within 20 points of the lowest selection rank (including adjustments) for that course. Depending on the applicant's initial ATAR and the competitiveness of the course, this may deem them eligible for an offer.
- For courses that select on a range of criteria such as folio or interview, SNAP applicants receive equivalent consideration on their performance in these tasks.
- For entry to bachelor degree courses, the minimum English study score for SNAP applicants is 5 points lower than the published English study score.

Eligibility

- Be an Australian or New Zealand citizen, or hold a permanent Australian residency
- Be a current student at a SNAP school
- Successfully complete any RMIT program prerequisites and extra requirements.

Application Process

- Apply for the course/s via VTAC between 5 August - 30 September.

Schools Recommendation Schemes (SRS)

Schools Recommendation Schemes (SRS) are one way NSW and Canberra institutions make early offers of undergraduate admission to Year 12 students, using criteria other than (or in addition to) the ATAR.

Participating institutions may use one or more of the following criteria listed when considering your application:

- your Year 11 studies
- your school's rating of your abilities in areas of study
- your school's rating of your aptitudes
- your Educational Access Schemes (EAS) application (if applicable)
- institution-specific documents (if applicable).

Institutions will then make offers based:

- solely on SRS criteria
- on both SRS criteria and ATAR/selection rank
- on SRS criteria and ATAR and equity criteria.

Each institution has its own policy for determining SRS eligibility and making offers. For example, you may also have to submit an EAS application, or attend a school in a particular region.

SRS is not available for all courses. The institution-specific SRS criteria detail any exceptions.

Participating institutions

- Australian Catholic University
- Charles Sturt University
- International College of Management, Sydney
- Macquarie University
- National Art School
- SAE Creative Media Institute
- University of Canberra
- University of New England
- University of Newcastle
- University of Sydney
