**Top End Wedding**

In the remote Northern Territory, things are done a little differently from what its young townies from Adelaide are used to. A charming and funny cultural romantic comedy which deals with love family and second chances.

Director: Wayne Blair  
Stars: Miranda Tapsell, Gwilym Lee, Kerry Fox, Huw Higg

Money raised will enable us to continue to make reusable feminine hygiene kits for girls in Timor Leste. Girls in such countries lack access to products for their sanitary needs, putting themselves at risk of infections and exploitation. As a consequence they miss up to two months of school each year, lowering their education standards and chances of earning income and independence. Once employed it further impacts their ability to consistently attend work. DFG helps by alleviating these problems around the world.
